

Vashon Ministry of Culture

Form 86. Request for Denial of Approval of Cultural Impact

All actions and activities which impact the culture of Vashon, especially if they are public and increasingly as they involve larger numbers of either participants or observers, are subject to review and evaluation by the Ministry of Culture, whether consciously or otherwise. Use this form to request that the Ministry not approve of some individual, group, event, object, activity, expression (tangible or intangible), concept or location (contiguous or otherwise) in respect of its impact (actual, potential or imagined) on the culture, such as it is, of Vashon.

Important: This form is only for requests for **denial** of approval, to request denial of **disapproval** by the Ministry, use **Form 75**.
